

Danilov & Partners announces collaboration with U.S. Tax IQ

Danilov & Partners is pleased to announce the collaboration with [U.S. Tax IQ](#) in the area of U.S. tax and cross-border tax planning and consulting.

U.S. Tax IQ is a tax boutique firm specializing in U.S. and international tax focusing on offering comprehensive tax solutions aligned with the clients' business objectives and needs. U.S. Tax IQ assists individual and business clients in U.S. tax compliance, planning, and structuring.

“We are sure that the collaboration with experienced tax professionals from U.S. Tax IQ will bring a great value to our team and enable us to provide high-quality service to our existing and future clients in all aspects of cross-border tax issues that may arise”, commented Managing Partner Andrei Danilov.

“I am happy to share our experience with one of the strongest legal teams on the Russian market and looking forward to our common projects”, said [Alex Manasuev](#), Principal of U.S. Tax IQ.
