

Danilov & Partners reaffirms its positions in the international guide IFLR1000

On October 1st, 2020, Danilov & Partners were once again recognized as a leading firm in the European legal market for corporate / M&A advice by IFLR1000, an international directory of law firms which currently researches and evaluates legal advisors from 120 countries around the world.

We are grateful to our clients and colleagues for their positive feedback and for engaging us in interesting projects.

Our firm and lawyers are also ranked by Chambers and Partners, The Legal 500 and international publication Best Lawyers.
